275,000

Legend Revived is committed to revive the authentic civet “chon” coffee in the central highlands of Vietnam. The civet’s unique ability to select only perfectly ripe coffee fruit to feed upon helps to ensure a consistent high quality of coffee beans, resulting in high aroma, smooth taste and low acidity. Civet coffee has a pleasant sweetness that may reveal hints of chocolate and a subtle caramel taste - very full in the cup... The rarity, the premium taste and the uncommon production methods define the value of civet coffee – the most expensive coffee in the world.

Hot, cold or with condensed milk, enjoy your slow-drip civet robusta coffee as a quintessential part of life in Vietnam.
