TSDO VILLAGE, GVELETI WATERFALLS, VEDZA MINERAL SPRING OR DARIALI GORGE

(optional).

Tsdo village is about 20 minutes from Kazbegi, along the highway towards the Russian border. Nestled on a massive rock-face and usually inaccessible in winter, it has only a few inhabitants, and its abandoned houses give it a remote, timeless feel. The tour continues to Gveleti, which boasts 30m (98 foot) high waterfalls. We go over Dariali pass, a historically important route across the Greater Caucasus, to the Dariali Gorge monastery complex, named after the archangels Michael and Gabriel or we can end the tour at the Vedza mineral spring, which has had a legendary status for centuries
