to Ionian Blue

A bright, sunny outdoor terrace scene. In the foreground, a large, light-colored wicker planter holds a climbing plant with vibrant red flowers. To the right, a large, cream-colored patio umbrella stands on a tiled floor. In the center, a small round glass table is surrounded by four wicker armchairs with light-colored cushions. A small potted cactus sits on the table. The terrace is bordered by a low, light-colored wall. In the background, there are lush green palm trees and a building with a red-tiled roof under a clear blue sky.

An aerial photograph of a tropical coastline. A wide, sandy beach curves along the shore, bordered by dense green forest and a steep, rocky cliff. The water is exceptionally clear, showing vibrant shades of turquoise and green near the shore, transitioning to deeper blues further out. Several small white boats are anchored in the shallow water. A few small buildings are visible on the forested hillside. The overall scene is idyllic and serene.
