

Welcome to the ultimate family hotel club by the sea, complete with an Olympic-size pool, a Pirate Ship activity pool and a renown Family pool. We should mention them as well, five exquisite dining options and several friendly bars that are open until the early hours of the morning.

This is a large and safe paradise for children that features numerous fun-filled activities such as the pirate ship with waterslides, five different mini clubs, mini golf, a toy store, bike-friendly paths and a variety of extra services including horseback riding, scuba diving and kite surfing. Kids will also love visiting the Kipriotis Aqualand waterpark just a 10-minute walk away or 3-minute ride by mini-bus which runs all day long, while parents can enjoy the gym and the trendy roof bar at the Kipriotis Panorama Hotel and Suites.

Adults can also revel in their fair share of activities at the Kipriotis Village Resort, from water sports and tennis to the onsite Anaviosi holistic wellness spa. On the culinary side, the diversity of restaurants brings together Mediterranean, Greek and/or Italian flavors in ways that will pleasantly surprise the palate. Hearty breakfasts and barbecue nights are a definite must.
