INTRODUCING THE VICTORIA MEKONG

VICTORIA MEKONG

Welcome to the Victoria Mekong, the newest and most exciting cruise experience on Southeast Asia's mightiest river!

Boasting four-star comfort and superior service, your customers are free to relax, enjoy the onboard entertainment or soak up the wonders of the passing landscapes. The itinerary has a uniquely scenic focus, passing from the lush, green landscapes of Vietnam's Mekong Delta up to Cambodia's enchanting capital, Phnom Penh, cruising for four nights upstream, or three nights downstream. Shore excursions are designed with an emphasis on experiencing local life, with plenty of opportunities to interact with local people and their fascinating culture.

This three- and four-night itinerary is a great value alternative to the traditional seven-night Mekong cruise, and the perfect length to add easily to an escorted tour of Vietnam and Cambodia. The Victoria Mekong will set sail in September 2019 and allocations are available now.
