HELLO ●
AND
WELCOME!

Kijo

Are you ready for an extraordinary
vacation experience?

To discover a world of your own?

Paint, sing, swim, play as you wish?

We will be excitedly waiting to meet
you at Kijo - an enormous place
reserved only for you!

Read thoroughly to see what awaits
you at Kijo and make sure your
parents know where to
drop you off.

**SEE YOU
iN A BiT!**

**KIDS MEAN
THE WORLD TO US.**

Dear Parents,

Kids mean the World to us, that's why rather than setting aside a tiny room filled with basic materials to "keep them busy", we have built a 4500 m² area for their entertainment and education. It is filled with games, toys, skill rooms, animations, pools, slides, workshops...

They even have their own restaurants.

Aiming to serve kids from 1 year old to teenagers, Lujo differs its services according to its visitors' age and skill level. Feel free to browse through the pages or meet us at the Kijo Reception. You will wish you could enter - but sorry, this area is reserved for kids only!

Your kids will be safe with us from 9 AM to 2 AM. If you need any special assistance or babysitting services, our team will be more than happy to serve you.

Now it's time to enjoy your vacation as your kids do the same. Don't worry, we are sure they will be eager to tell you all about it once you meet up!

Did You Rest Well?

Kijo Club opens its doors at 9 AM. Have a delicious breakfast with your parents and then join us for a whole day of games, experiments, shows... If you feel tired you may nap at the Sleep Rooms or ask us to call your parents at any time. This club is yours to enjoy until 2 AM!

OH THE GAMES WE'LL PLAY

Build castles in the sand, watch kids
go into imaginary lands.
Race your cars to the stars holding
them firmly in your hands!

Games, toys, sports tournaments... we
never stop playing at Lujo!

Take a look at all our games and
pick the ones you want to play.

DISCOVER YOUR SKILLS AND THE WORLD AROUND YOU

Do you have an interest in music and art? Do you like dancing and singing?

Our Music Room is filled with many interesting instruments from guitars to drums, piano to keyboard – all chosen from world's leading brands. Our very talented and caring Music Teacher will guide you through your personal musical journey and give you free private lessons if you are over 6 years old. You will get to practice your musical skills and maybe even perform live at the end of your training! Make sure to reserve your spot at the Music Room as soon as you can.

There are also group sessions combining games and music for those who are not keen on a private lesson. Or, if you already have a band, you may use the Music Room for your own rehearsals! Good luck...

If you prefer a more silent form of art you may draw, paint and express yourself in colors at the Art Room. And our Science Room will help you discover yourself and many more wonderful things around you with live experiments.

What will you try?

FAMILY DINNER DATES

If you prefer, we will happily wave at you as you leave Kijo to have lunch and/or dinners with your family.

There are kids' menus and kids' chairs in all our restaurants. However, the coloring books and the toys are available only at the Kijo Club and the main restaurant – Koza.

ART ROOM

EASY PEASY LEMON SQUEEZY!

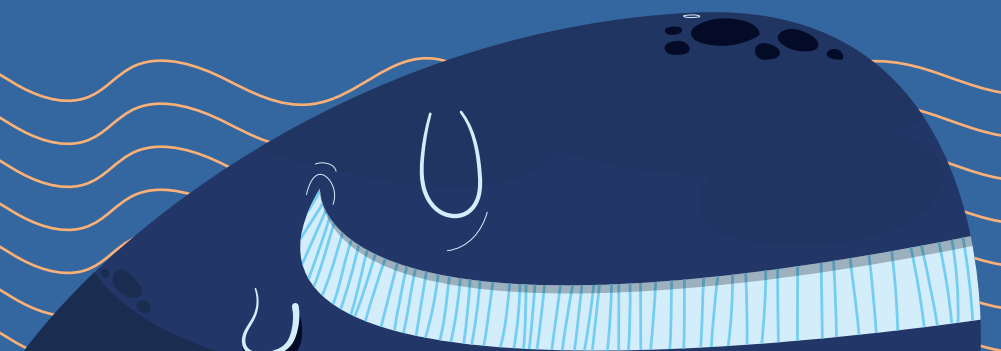

(Look What I Did at Kijo!)

There are many workshops you will be able to join inside Kijo. We are sure your parents and friends will be very impressed with your newly acquired skills!

Invite Your Parents to Play Day...

If you want to invite your parents to show them around, you are welcome to do so. They may look, but they may not touch!

The only exception is where they are allowed to come and play in the Open Playing Area. Your little brothers and sisters under 3 years old will need their assistance before they may come into Kijo with you.

IT'S YOUR TIME TO TAKE THE STAGE!

If you have been working hard at the Music Room, you may be selected for the show!

You'd better start practicing which song to play or sing...

Smile at the Crowd.

This is your time. Everyone is there to listen to you and cheer you on. Let's see that smile!

Wear your Best Dress.

The perfect time to wear your nicest suit or dress? Right now! At your first performance!

Ask Your Parents to Take a Video

Of course they will. But they might be even more excited than you are. You'd better remind them!

Learn Your Words and Music

This goes without saying, but be prepared. Your Music Teacher will happily help you at each step of the way.

Enjoy the Show!

Have fun and enjoy every moment you are before the audience!

Ready to Dance and Sing Along?

*If you are not keen on performing yourself,
